

ŁUKASZ BRODOWSKI

Frontend Developer

ABOUT ME

I'm 23 years old student currently on a third year in video game design. I have been programing my private web pages for a little over a year now, hoping to get experience in a real company one day.

Developer**

(02.2021 – 07.2021)

EXPERIENCE

Freelancer

Web Page for Progres - Patent na Logistykę

I invented and made a model of the website (in Figma) that was accepted by the client. I created this page using HTML, SCSS and JS. I made the corrections requested by the client.
