

# ŁUKASZ BRODOWSKI

Frontend Developer

## ABOUT ME

I'm 23 years old student currently on a third year in video game design. I have been programing my private web pages for a little over a year now, hoping to get experience in a real company one day.

## LANGUAGES

Polish

English

## EDUCATION

**BSc in New Media and Digital Culture with  
Specialization in Video Game Design**

University of Lodz (2017 – Still going)

**Finished CodersLab bootcamp in JavaScript  
Developer**

(02.2021 – 07.2021)

## EXPERIENCE

**Freelancer**

**Web Page for Progres - Patent na Logistykę**

I invented and made a model of the website (in Figma) that was accepted by the client. I created this page using HTML, SCSS and JS. I made the corrections requested by the client.
