ŁUKASZ **BRODOWSKI**

Frontend Developer

ABOUT ME

I'm 23 years old student currently on a third year in video game design. I have been programing my private web pages for a little over a year now, hoping to get experience in a real company one day.

LANGUAGES

Polish

English

EDUCATION

BSc in New Media and Digital Culture with Specialization in Video Game Design

University of Lodz (2017 – Still going)

Finished CodersLab bootcamp in JavaScript Developer

(02.2021 - 07.2021)

EXPERIENCE

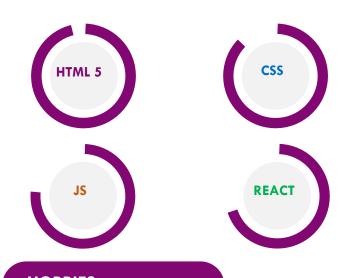

Freelancer

Web Page for Progres - Patent na Logistyke

I invented and made a model of the website (in Figma) that was accepted by the client. I created this page using HTML, SCSS and JS. I made the corrections requested by the client.
